

## Fly Fishing

Our <u>Weekend Fly-Fishing Schools</u> are held on select weekends from March through November. Kingfisher Outfitters provides all necessary equipment, off-site transportation and lunch on both days.

The courses are taught by professional, casting instructors with years of experience in fly-fishing and an infectious passion for their pursuit.

Two-day fly-fishing schools are \$350, which includes use of premium equipment during the school and a delicious lunch on both days. The classes are limited to eight participants.

Private lessons, guided trips and gift certificates are available. Participants also qualify for a discount on lodging and select merchandise in the fully stocked Kingfisher Outfitters.
