

# Ten Things to Know about Tennis at Callaway Gardens

1. We have **eight clay courts and lights to play at night!** Meet up with friends and family for some great tennis. Children age 18 and younger play free when accompanied by a paying adult. It's not so important that you're the greatest; if you can laugh while playing, everyone comes out on top.
2. Looking to take your game up a level? **Schedule a lesson or just rally with our Head Professional.** Drawing on 50 years of playing and teaching experience, he'll tune up your strokes and strategy. You might even get him talking about the old wooden racquet days, back when he studied and practiced with the likes of legends Stan Smith, Bobby Riggs, and Rod Laver.
3. Prefer to practice on your own? **Rent a hopper of balls or our Lobster ball machine.** If the Lobster starts to get the best of you, just pull the plug.
4. **Want a match?** Let us know a little in advance, and we will connect you with local members on your level.
5. **What about a Team Getaway?** Bring your team over for just a day or an overnight stay for fun, intense drills and instruction. Our Head Professional will keep those feet moving! He's even had the chance to coach a few of his own teams to State Championships.
6. Ever consider setting up a **private Round Robin for your group?** Our Pro and staff will do all the organizing and heavy lifting. Prizes for winners and participants alike!
7. Own or help run a company or organization? **Team Building exercises** on court couldn't be easier. Our Head Pro can set it up at the spin of a racquet.
8. Need a racquet make-over? Or simply have the urge to pick up a **Callaway Gardens tennis souvenir?** Drop by the Centre Court Tennis Pro Shop to shop and talk a bit.
9. Just looking to **relax and spectate?** Enjoy a cold drink and enjoy on our shaded porch. You can even reminisce about the days you used to play, before your knees began to squeak!
10. **Sparked a question?** We are happy to be of assistance. Contact us at 1.706.663.5032 or [tennis@callawaygardens.com](mailto:tennis@callawaygardens.com).
