## ART & GARDENING WORKSHOPS

#### Cool Season Container Gardening

*Saturday, January 27<sup>th</sup> | 9:30. – 11:30 a.m.*

*Lily Classroom, Callaway Discovery Center*

Give some sparkle to your winter container garden. Expand your concept of container gardening by looking beyond the pair of pots by the front door to the role that mixed planters can play in your landscape, on your deck or patio, and in your life. Container gardening offers both ease and opportunity for your most successful gardening experiences. This informal 'hands-on' class includes a morning discussion of design considerations and cultural know-how. Then plant your own container to take home.

**Instructor:** Kathy Crye, Gardens Horticulturist

**Fee: \$45**

#### Basket Weaving: Bread and More.....

*Saturday, February 3 | 9 a.m. to 1 p.m.*

*Lily Classroom, Callaway Discovery Center*

Bread and more is a very versatile basket, woven on a 3 ½ x 15 inch wooden base! This oblong basket is perfect for baked goods like biscuits, rolls or loaves. This technique uses short spokes inserted into a slit in the base and would be appropriate for beginner and intermediate basket weavers. Basketry materials and prepared bases will be provided. This is a great opportunity to master another basketry technique! *All basketry materials, supplies and sanded/stained bases will be provided.*

*Attendees should bring an old bath towel and snacks.*

*Class limited to 8 participants*

**Instructor:** Sharon Hynes

**Fee: \$60**

#### Winter Pruning

*Saturday, February 3 | 9:30a.m. – 12 noon*

*Violet Classroom, Callaway Discovery Center*

When to prune what? That always seems to be the dilemma! Join Gardens Horticulturist Chris Hall as he explains when to prune summer-blooming shrubs and when not to prune spring-bloomers. You'll also get some tips on the best tools for the job as well as pruning tips for rejuvenation and health of your plants. You'll have some time outdoors as well so dress for the weather and wear comfortable walking shoes.

**Instructor:** Chris Hall, Gardens Horticulturist

**Fee: \$35**

#### Create Your Own Backyard

##### Wildlife Habitat

*Saturday, February 24<sup>th</sup> | 9:30 – 11:30 a.m.*

*Violet Classroom, Callaway Discovery Center*

This workshop will give you tips on how to make your own landscape attractive to wildlife. You'll learn what to plant to attract pollinators and other watchable wildlife. We'll also share information on various nest boxes so you can enjoy the life cycle of many of our feathered friends.

**Instructor:** Patricia Collins, Gardens Director

**Fee: \$35**

#### Basket Weaving: Handy Square to Round

*Saturday, March 10<sup>th</sup> | 9 a.m. to 3 p.m.*

*Violet Classroom, Callaway Discovery Center*

This large basket's versatility is its most charming feature! Perfect for any number of things – you decide. It is especially handy by the fireplace for kindling, pine cones, etc. for starter material. Start by weaving a square base that measures 12" x 12" and evolves into a functional round basket as you weave up to a 10" height. It is finished with leather handles. All basketry materials provided. All experience levels welcome. Attendees should bring an old bath towel.

*Class limited to 6 participants*

**Instructor:** Sharon Hynes

**Fee: \$80**

#### Backyard Raptor Trek

*Saturday, March 10<sup>th</sup> | 10 to 11:30 a.m.*

Interested in common Southeastern raptors? Join us on a short trek through common backyard habitats at Callaway Gardens to meet four live winged ambassadors along the way. At each stop you will learn about the habits and characteristics of each bird species, and even discover ways to encourage raptors onto your property. *Please wear closed-toed walking shoes.*

**Instructors:** Birds of Prey Staff

**Fee: \$20; \$65 Family of Four**
