Pansies: Enjoy the happy faces of these cool-weather flowers throughout the Gardens in both beds and containers.

Holly Fruit: Look for brightly colored holly berries in shades of red, orange, and yellow. You may see them on plants with dark glossy green foliage or even leafless stems. These are all hollies!

Witch-hazel: *Hamamelis*, subtle yellow, spider-like flowers grace the bare stems this time of year. On bright, sunny days the fragrance of these small flowers is delightful.
